### #663 “Hasn’t Science Disproved Christianity?”

\_\_\_\_\_ of Scripture and Science

\_\_\_\_\_ (Hebrews 11:3)

\_\_\_\_\_ (Job 38:35)

\_\_\_\_\_ (Ecclesiastes 1:7)

\_\_\_\_\_ (Genesis 6:14-15)

\_\_\_\_\_ (Job 28:24-25)

\_\_\_\_\_ (2 Peter 3:10)

\_\_\_\_\_ (Leviticus 13:46)

Does Evolutionary Science Fit with the Biblical Account of Creation in Genesis?

1. God created all life-forms in a period of six twenty-four-hour \_\_\_\_\_ just several thousand years ago.
2. God was the primary \_\_\_\_\_ in beginning the world and after that natural causes took over.
3. God created life and then \_\_\_\_\_ natural selection to develop all complex life-forms from simpler ones.
4. \_\_\_\_\_ in the fossil record support that species seem to “appear” rather than develop, because God performed large-scale creative acts at different points over longer periods of time.

A person does not need to accept any one of these positions regarding \_\_\_\_\_ in order to embrace the Christian faith.

### Life Group Ice Breaker

1. What was your favorite subject in school? Why?

## Discussion Questions

2. Regarding this sermon, is there any truth that stands out as being particularly helpful, insightful or difficult to grasp?
3. Why is the common assumption that science points to atheism? Should truth be reduced to that which is scientifically measurable?
4. What explanation of the creation account presented in Genesis 1 and 2 do you most agree with? Explain. Why is your position not necessary to embrace the Christian faith?
5. Do you believe in miracles? Can you testify to one in your life? Do you agree or disagree that miracles are the suspension of the natural order? Why or why not?

## Application Questions & Prayer

6. As you think about an atheistic, science-minded friend; which of you is more confident in expressing their views about the existence or non-existence of God? Explain.
7. Is intellectualism a hindrance to faith? Why or why not?
8. Pray for opportunities to engage with someone who is asking the same questions we are answering.
