

Online Children's Worship Experience! March 29th

Welcome to our Online Children's Worship experience. As the parent, please prepare your heart by knowing that your kids may not experience it in the way you hope. Give them the freedom to worship as they are able at this time. Hold loosely to your time and enjoy God and your family with whatever happens. God is totally fine with a messy time together. We are praying for you all.

Worship: There is something very special about worshipping God as a family in your own home. The song is "Lord I Lift Your Name On High".

For younger kiddos - Make it fun! Do you have instruments at home? Bring them out and let the worship begin. If you don't, do not despair. Kids can make a joyful noise with just about anything. Even plastic bowls and wooden spoons or just let them dance! Then close your eyes in the midst of that chaos and picture the smile on God's face with such heartfelt worship.

For older kids - Give them something to listen for in the songs. This week our focus is on having peace through the power of Jesus! There is a part of the song that says "you came from Heaven to earth to show the way"... see if they can recognize any lyrics that remind them of the peace Jesus offers.

Teaching: This week we are talking about Jesus' power to provide **Outrageous Peace** and calm the storms in our lives.

We have included a section of discussion questions for you to go over together after watching the short video lesson, as well as a coloring sheet of the memory verse for an added activity. The lesson will probably be a little over the heads of the toddlers, so it is a "win" just to be with them during this time while you listen. Even if they are moving around, they often are still listening. Throughout this message they will hear how God loves us and doesn't want us to fear.

Children's Lesson- Outrageous Peace!

Watch the video, then discuss together and pray.

- Take a few minutes to write down might be scary to you today:

Pray together • God, You have power to give us peace. We praise You because You are faithful and trustworthy. We confess that sometimes we get scared. Help us remember that You are good and have the power for peace. Amen.
