STARTING TODAY: PEACE - NO MATTER WHAT

When Jesus walked the earth in the region of ancient Galilee, his audience was a group of peasants. The majority of the Jewish population lived in poverty and were subject to corruption, persecution and the injustice of a nation who mistreated them. People lived in an unsettled state of mind, never knowing what tomorrow would bring. It was into this situation that Jesus gave His Sermon on the Mount. In it were secrets to achieve peace no matter what. TODAY starts this new 7 week teaching series.
