

Children's Lesson- Easter is Coming- #3!

Watch the video, then discuss together and pray.

Bible Passage: Acts 2:21

Main point: Jesus ate with his disciples and prayed in the garden to prepare for the payment of our sins!

Discussion Questions:

-T/F Jesus was celebrated as King when he entered into Jerusalem. (*True! The people waved palm branches and shouted Hosanna!*)

-Our verse today describes how we can be saved from our sins. What is it that we must do? (*call on the name of the Lord, JESUS!*)

-Why did Jesus carry our sins, getting pierced and whipped? (*Jesus paid the wages of our sin with his body and blood to show how great God's love is and how much worth we have in God's eyes*)

-How should we respond to God's free gift of Salvation? (*accept it, not reject it-choose Jesus as Savior*)

Pray together: Lord, it is hard to remember how hard Jesus' payment must have been. Lord we ask you to remember what great love you have for us and to accept your gift of Salvation through Jesus Christ our Lord and Savior, Amen.

Everyone who calls on the name of the Lord (Jesus) will be saved.
