

Children's Lesson-Get Rich #2!

Watch the video, then discuss together and pray.

Bible Passage: Ephesians 1:17

Main point: We should be rich in God's love!

Discussion Questions:

- What should we be rich in? (*God's love*)
- T/F The Bible is our instruction manual to let us know God better. (*True! God's word gives us instructions.*)
- According to our memory verse, What are 3 ways we can know God better?

(** Pray for wisdom and understanding of God*)

** Read God's word*

** Have open eyes to see things God's way)*

-What does it mean to have the spirit of "revelation"? (*to have the ability to see things God's way*)

-T/F Knowing God better makes us rich eternally. (*True! God's love is never ending and can never be lost or stolen.*)

Pray together: Lord, thank you for your word that is rich with truth. May we get to know you better and better as we read your Word and talk to you daily! We ask for your Spirit to help us get rich in your love Lord! In Jesus' name, Amen

I keep asking that God gives you the spirit of wisdom and revelation, so that you may know him better.
