

ONE

reading plan

Quarter 1
January – March
2022

The Bible has 31,102 verses; 1,663 commands; 40 different authors and 3,237 different characters. Yet in all these verses, commands and personalities there is only **ONE** *story* being told. A story about God's mission of redemption from beginning to end. A mission to get His people back.

In 2022 we are focusing on reading the Bible together in order to draw closer to its Author. Each week we will journey through the Scriptures in chronological order with **ONE** *goal* in mind: To know God and experience His presence every day.

While there are various Bible reading plans available, we are offering 3 reading plans designed to meet you where you are, plus **ONE** *digital option*. Easy, moderate, and challenging. Choose **ONE** *plan* and dive in!
